

# Planet Travel Brochure

Name \_\_\_\_\_  
 Date Due \_\_\_\_\_  
 Period \_\_\_\_\_

Your job is to create a Planetary Travel Brochure that will excite people into wanting to take a vacation to the travel destination described in the brochure. Your brochure must be colorful, exciting, and accurate. You will be researching a planet or planetary satellite in our solar system and advertising a vacation to the planetary destination. Your brochure must include all of the following items listed below. Check them off as you have added them to your brochure.

- Your Name, due date, and period.
- Where is your planet located in our solar system?
- Include a picture or drawing of your planet.
- What are the specifications of your planet? (Size, diameter, mass, distance from Sun, etc.)
- What special features does your planet have? (Volcanoes, great storms, rings, moons, etc.)
- Include some pictures of the special features or major attractions of your planet.
- What is the atmosphere like on your planet? (Temperature, gravity, breathable air?, etc.)
- If I weigh a hundred pounds on Earth, what would I weigh on your planet?
- What is the period of rotation and revolution on your planet? (Length of day and year)
- What will the accommodations be like on your planet? (Hotel, pools, golf, fun for kids, etc.)
- Do you have to build a special structure to survive on the planet for long periods of time?
- What will people do for fun when they get there? (Ski, hike, swim, fly, eat?)
- Traveling at 40,000 km/hour, how many days will it take to get there and back?
- If you are 30 years old, how old will you be when you get there?
- How much will the trip cost if each day costs \$525/day.
- How long will people stay on your planet? What are your different pricing plans?
- What will your space ship look like? Draw a picture of your ship
- You could be in your space ship for years. How will you keep your passengers comfortable and entertained? They can't just sit in an airplane seat for a couple years.
- What kind of people will you have on staff on your ship? (Doctors, lawyers, teachers, etc.)
- Get the testimonials of 6 famous people. *Example: "I'll be back!" Arnold Schwarzenegger*

Person 1: \_\_\_\_\_  
 Person 3: \_\_\_\_\_  
 Person 5: \_\_\_\_\_

Person 2: \_\_\_\_\_  
 Person 4: \_\_\_\_\_  
 Person 6: \_\_\_\_\_

Your grade will be based on:

1. Knowledge of the information researched about your planet.
2. Creativity in the presentation of your information.
3. Humor and salesmanship of the presentation.
4. Type of project presented. (Paper based, PowerPoint, Video Commercial, etc.)
